

You are cordially invited to a Family Fun Day at St. William's Catholic Church sponsored by the Knights of Columbus

Saturday October 14th at 11am

Pope Francis recently said, ***“The welfare of the family is decisive for the future of the world and that of the Church” - Amoris Laetitia #31***

A Family Fun Day is an opportunity to take a half day to rest from our busy schedules. The afternoon starts with a potluck for fellowship, followed by a practical talk on family life

for parents, while the teens and young adults play sports, cards, or board games with the younger kids.

The middle of the afternoon is devoted to a family activity related to the topic of the day. Next, the parents play with their kids and the teens will have their own faith formation time and we conclude the event honoring our Blessed Mother by praying the rosary as a community of families. The Family Fun Day is an occasion to show your family that you value being with them above all the other commitments that we have throughout the week.
