Saint William Catholic Church
July 2019 Monthly News Letter**

Our New Fraternal Year:

Brothers, as we head into the fraternal year, I want to thank all of you for the service the council provides to our parish community. As with any organization, we have our needs and our wants to ensure we continue to succeed. But, the time has come to ask for your help.

In the past, I used to kid around that the council members were starting to grow old, the sad reality is we are, the need to step up is urgent as we head into our works for the year, especially from our younger members.

Many of you know, I'm not a technology person so this new age of social media is something I embrace, but I recognize now the way I feel about it might be quite different than how some of you approach it.

Maybe the age of sending e mails is becoming a thing of the past.

I recently started to use Facebook and I come to find out that our council has a Facebook page, I don't know who manages the page, how to send a friend request to it, but I'm going to ask and find out.

Also there is this thing call twitter out there that I have no idea how to sign up for how to use it, but I guess I'll have to find out cause I think there's a twitter page out there as well.

I've never been one that sends a lot of e mail messages as I feel the more sent, the messages can start to become a pain and eventually ignored as they are delivered. I still like to approach on a handshake basis and ask how is it going, but this might be the example of how out of date I am, but I'm still going to use this approach.

This year is going to be a challenge to myself and the rest of the officer board, trying to reach out to you and ask for help and involvement, it also will be an

important one as we not only look at the development of the council for 2019 and many years in the future.

I look forward to being your Grand Knight (again), and encourage all of you to reach out to me as needed.

Thanks and God Bless,
Greg Castro / Grand Knight
