Saint William Catholic Church
Aug 2019 Monthly News Letter
Looking for You**

Brother Knights,

As I mentioned last month, the goal of the council is to find Brother Knights and reach out to our membership, hoping for the result of trying to strengthen the participation of the council presence, whether it's at an event, meetings, church or community activities.

Currently, our main means of communication is e mail, the group list we use does not identify who the owner of the e mail address might be, and some of you are very creative with your e mail address, also there is no way of knowing when we send a message if the person received it as messages aren't kicked back.

Over the next couple of weeks, messages are going to be sent individually so we can do our own form of a census to identify our members, also trim down the list if it's not completely accurate, but more importantly to update our records in the event we need to communicate individually with you.

Also, bear in mind that this list was developed back in the day when many of us still had a thing called a land line, most of us have evolved to cell phones, I ask you to acknowledge the e mail with your name, provide us with your current phone number also. Information is not going to be shared outside of the council and is not going to be used as a tool to start bothering you with unwanted messages or phone calls.

Your question might be why do you want this?

As the newest Grand Knight, and also recycled Grand Knight I've observed the council growing in numbers, but the number of Brothers that participate in the

events, attend meetings, is shrinking significantly, we want to be able to find out if it might be because the messages aren't reaching you.

Let's remember that as Knights, we are all Brothers in Christ, if when you receive this message you want to discuss where you've been, if there is a reason you have not been around or are simply in need of any help be it for reason's health, spiritually, or just been busy in life and need a prayer you can always reach out to me.

I pray that all of you are well, and if something is troubling you that you reach out to us so we can pray and try to help you find your way.

Thanks and God Bless,
Greg Castro / Grand Knight
