July 2020 Newsletter
Starting 20/21 – Happy New Year**

Brother Knights,

It's the beginning of our fraternal year, and I pray that the beginning of this year for us starts out a lot better than we finished the last half. It's been rough for everyone so far, and even though it appears that it might be getting worse, we need to be faithful and pray for an end to all of this mess.

Especially for those that have become sick, lost jobs or had their work cut because of this pandemic. Pray for all that feel this is a chance to point fingers, spread negative messages and blame, if you know someone that does, please ask them to stop.

I can't sugar coat the subject, this new year is certainly going to present challenges that might be as great, if not greater than when the council was chartered in 1986.

The Council has done so many good deeds and acts of charity for our church, the community and especially in our dedication to support life over the last few years. We need to find a way to continue our good works, though the challenge we'll have before us will be a financial one, the new leadership team that will start tomorrow will put our idea's together and present a budget at the August meeting.

Now more than ever, we need to find and reach out to our lost members while also trying to strengthen the council with new members that can help us to continue to grow and represent our Church and the Community.

Let us always remember, as Knights of Columbus Brothers our first order is Charity, and we have a challenge ahead of us, but as its been stated, we become stronger when we have a combined effort from our council membership. I look forward to this upcoming year and Pray that we can meet and exceed all of the challenges presented.

Thank You and God Bless,

Greg Castro / Grand Knight, Council 9368, Saint William, Round Rock Tx
