October 2020 Newsletter**

Brother Knights,

Here we are in October, this becomes one of my favorite times of the year. The weather changes with the change of season from summer to fall. We also seem each day to make strides to overcome the challenges we encountered when the pandemic became a part of our lives that we won't forget. I don't want to get too much into that subject as it's been an overwhelming part of our lives since the middle of March. I don't want to get started on that whole subject again.

October is also Respect Life Month and also the month of the Rosary. As Knights, we've made it our focus to preserve and defend Life, I remember once passing a billboard on Parmer and 620 that had a lady wearing a white coat saying "Ask me, I'll tell you", this was an advertisement for Planned Parenthood urging young women to talk to Planned Parenthood and not their Parents. For months, I had to pass by that billboard before I finally started taking a longer way to get home so it wouldn't upset me each time I drove by. This was before the days of toll roads so there weren't a lot of options. That upset me then and it makes me more upset to see what's been deemed as an acceptable method for those who think differently, I just don't understand how we've come this far.

I encourage all to participate in the Saint William Respect Life Day, this Saturday from 7am to 7pm at the Whole Womens Health, 4100 Duval Rd, Austin 78759. Our Worthy DD Michael Barnett is coordinating hour prayer shifts, if you are able to volunteer call him 512-560-4751 or e mail: mbarnett360@yahoo.com
Families and friends are welcome to participate.

If you aren't able to volunteer this weekend, please just pray for Life and for decisions to be made to Respect Life and the Unborn.

October is also the month of the Rosary, our Church Committee Director Marvin Felux has set up a sign up list for Praying the Rosary, I was happy to see the positive participation and I encourage all of you to sign up and pray the Rosary as a family.

Lastly Brothers, I encourage all of you to continue praying for an end to this Pandemic that many are suffering through, it seems to be going in a positive direction so far but lets please not relax and think it's over.

I look forward to the date when we can meet again in person.

Thank You and God Bless,
Greg Castro / Grand Knight Council 9368
