November 2020 News Letter**

Brother Knights,

I'm writing this new letter the day after the election, as expected we still don't know who won and who didn't win the race for President of our country. Once all of the dust settles, we need to remember to stay grounded in our faith, pray for our country, pray for all that have and are still affected by the pandemic, be it either from the virus or the effects it has had on our economy and continue our prayers for our country.

Certainly, we need to pray and give thanks that we might be able to finally be in a position to win our battle to Protect Life, this was the main reason I decided to become a Knight a long time ago, and will always speak and defend a discussion of life if anyone were to question my belief.

We have no control of the election anymore, if you voted than you did your part. If you pray for God to help us with all of the wrongs that need to be corrected, then you are doing your part, if you pray for all to live in peace and understanding, then you believe that prayer is powerful.

Remember to pray the rosary every day for all your intentions, and most importantly pray for all to believe that all life is sacred and must be protected, from conception to the day we are called home to God.

Thank You and God Bless,

Greg Castro / Grand Knight, Council 9368, Saint William, Round Rock Tx
