Dear Brother Knights,

Thank you for your generous donation of \$500.00 to Texas Alliance for Life Trust Fund on October 9, 2020. We appreciate it greatly. Your contribution is tax-deductible. No goods or services were provided for this contribution.

The funds we raise are critical to accomplishing our mission of educating Texas about the sanctity of innocent human life, lobbying in the State and U.S. Capitols, defending pro-life laws in the courts, and electing qualified pro-life candidates to public office. The Texas Legislature just completed its session after passing five major pro-life measures.

We will continue our work, which is more critical than ever. **Thank you so much for your support of Texas Alliance for Life!**

Most sincerely,

Joe Polman, Ph.D.
Executive Director

PS We hope and pray that you and your family are safe in this time of the coronavirus.
