Dear Friends of Life:

Thank you for your generous gift to Texas Right to Life. Your gift protects the preborn, their mothers, the sick, the elderly, and those with disabilities in Texas.

Defending Life from conception to natural death continues to grow more challenging. Your generosity is what drives the Pro-Life movement forward when our entire culture tries to normalize murder. Your commitment to fight the culture is admirable.

In order to change the culture and the laws to value innocent human Life we need to recruit, educate, and act. Texas Right to Life has prioritized this need for change by creating an Ambassador Program to unite, engage, and equip Texans to end abortion and euthanasia. You are a perfect candidate for this job!

Your financial support strengthens the defense of innocent human Life. You speak up when the majority will not. You save lives!

Yours for Life,

James J. Graham
