April 2021 Newsletter**

Brother Knights,

To say that the last 12 ½ months have been strange is a huge understatement. I don't need to recap all of the events, I'm sure you know and will never forget the pandemic, lockdowns, working from home, and lastly the weather we experienced in February.

Through it all, and I think most that aren't Knights will agree, our Council has been an example to the parish of still being able to conduct our Charitable works through all of our Programs.

Church

Community

Culture of Life

Our Council has also set examples that I'm hoping can be used as a model to hopefully bring the different Ministries back to the campus.

We have been able to hold a total of six fish fries, cook turkeys for the Annie's Way Thanksgiving Dinner, conduct our Highway Clean Up Commitment, with the Respect Life Ministry assist with the Cemetery of the Innocents, and hold the nine days of the Novena for Life.

Lastly, we just completed our Annual Food Drive to Benefit the Saint Vincent De Paul Society, through our efforts of communication, collecting and the sorting of the food we are able to gather a total of 6351 pounds total of food that will be out back out to help those in need.

Brothers, for a year where most activity has been shut down, we should be proud that we have been able to continue most of our works for our Parish Community. I've always been proud to be a Knight, and we should all take a moment to pause and be proud for all that we do.

Like most of you, I can't wait for the day when life can begin to resemble some sort of normal, I don't know if a true normal will ever be again.

We need to continue being the Strong Arm of the Church, we can accomplish that by continuing our works, also there is nothing wrong with bragging about it.

I'm proud to be a Knight and I'm proud for all of my Brother Knights.

Thank You and God Bless,

Greg Castro / Grand Knight
