June 2021 Newsletter**

Brother Knights,

It's seems hard to believe that another KC 9368 Fraternal Year is near being over, and its no secret that this past year had been a tough one waiting for life to resemble some form of normal, now comes all of the bad weather episodes we have experienced. I was curious as to why the Round Rock West entrance was closed so I drove in to the parking church parking lot, parked and walked to the street and saw that part of a metal building from the old brick plant had been blown onto the street along with a downed power line, crews were working hard to try and clear it from the roadway.

I then decided to look closely at the buildings and saw how hard our parish buildings have been affected by the recent hail storms, also how the parish grounds have still been affected from the February winter storm.

We are being asked to step in and help where we can, it's been requested for the council to help with cleaning up the grounds for any plants, shrubs, small tree's that were destroyed during the freeze, Saturday June 19th we will hold what seems to be an annual cleanup for our church.

There are a few more oppotunities that are going to be discussed at the business meeting tonight.

I encourage all that can attend to please do, we are headed into the new year, and I also believe its going to be one of the most important years for the council so that we can continue our works of Charity.

Attendance has been slim at the meetings and last month we held our first live meeting since February of 2020, we will also still offer zoom as an option for those that still don't feel comfortable.

Thank You and God Bless,

Greg Castro / Grand Knight Council 9368
