Dear Friends of Life,

Thank you for your financial gift to Texas Right to Life!

Texas's deadly 10-Day Rule is impacting patients all over the state. The basic rights of vulnerable hospital patients are being threatened, but our Patient Assistance team is always ready to help. Because you and thousands of other Texans support this team, a patient named Uday is alive today! A hospital in Allen started the 10-day countdown, threatening to remove basic life-sustaining treatment from Uday. Our Patient Assistance team helped secure a transfer to another hospital and saved Uday's life. Your generosity is making a difference in thousands of lives. Thank you!

Yours for Life,

James J. Graham, President
